OUR LOVE FOR NATURE
AND ITS DETAILS SETS US APART

ABOUT US

Amulya 800 Laminates are an all-new offering from the Purbanchal Laminates Pvt. Ltd. Which is an ISO 9001 and 14001 certified company, engaged in manufacture of high quality decorative laminates since 2004. The Company has made steady and impressive growth in these years both in terms of volume and varieties of laminates.

The Company has acquired the OHSAS: 18001 certification for implementing safety measures within the organization. In consideration of the company's concern over the conservation of natural forests of the world, it has been accredited with the prestigious **FSC (Forest Stewardship Council)** the South African NGO. We have also planted 50,000 saplings in Jodhpur District of Rajasthan. It shows how much concerned we are towards ecological balance of environment and natural certified laminates will help to cater to the needs of Green Building Projects there by making our planet greener. The Govt. of India has accorded the company with the status of **EXPORT HOUSE** for its massive achievements in export front. The company's products are certified with ISI mark-the mark of quality assurance.

The Company has achieved certification of Registration of **C.E. Marking** for our products from QSA International U.K. Our registration no. is 1505459. C.E. Marking certificate is required to export goods in European countries. So Amulya Mica is slowly but steadily going to be an International Brand. The technology guarantees that Amulya 800 laminate beats ageing and needs practically ZERO Maintenance.

The Company has achieved **Singapore Green Label** certification for our product as "Environmentally improved Low Emission Low Toxicity" from Singapore Environment Council.

The Company has been awarded with **16 Annual Greentech Environment Award 2015** by Greentech Foundation for outstanding environment management and the company also bagged **India's Most Trusted Brand 2019** award by IBC InfoMedia Corp. USA in association with International Brand Council (USA)-a consumer survey conducted in India by Media Research Group (MRG) in the category of **India's Best Mica and Laminate Company**. Company has been awarded with 17th National India **SME Excellence Award** in Manufacturing Sector. Company has **Green Guard Certification** from USA, this is a certification that a product has met some of the world's most rigorous and comprehensive standards for low emissions of volatile organic compound (VOCs) into Indoor Air.

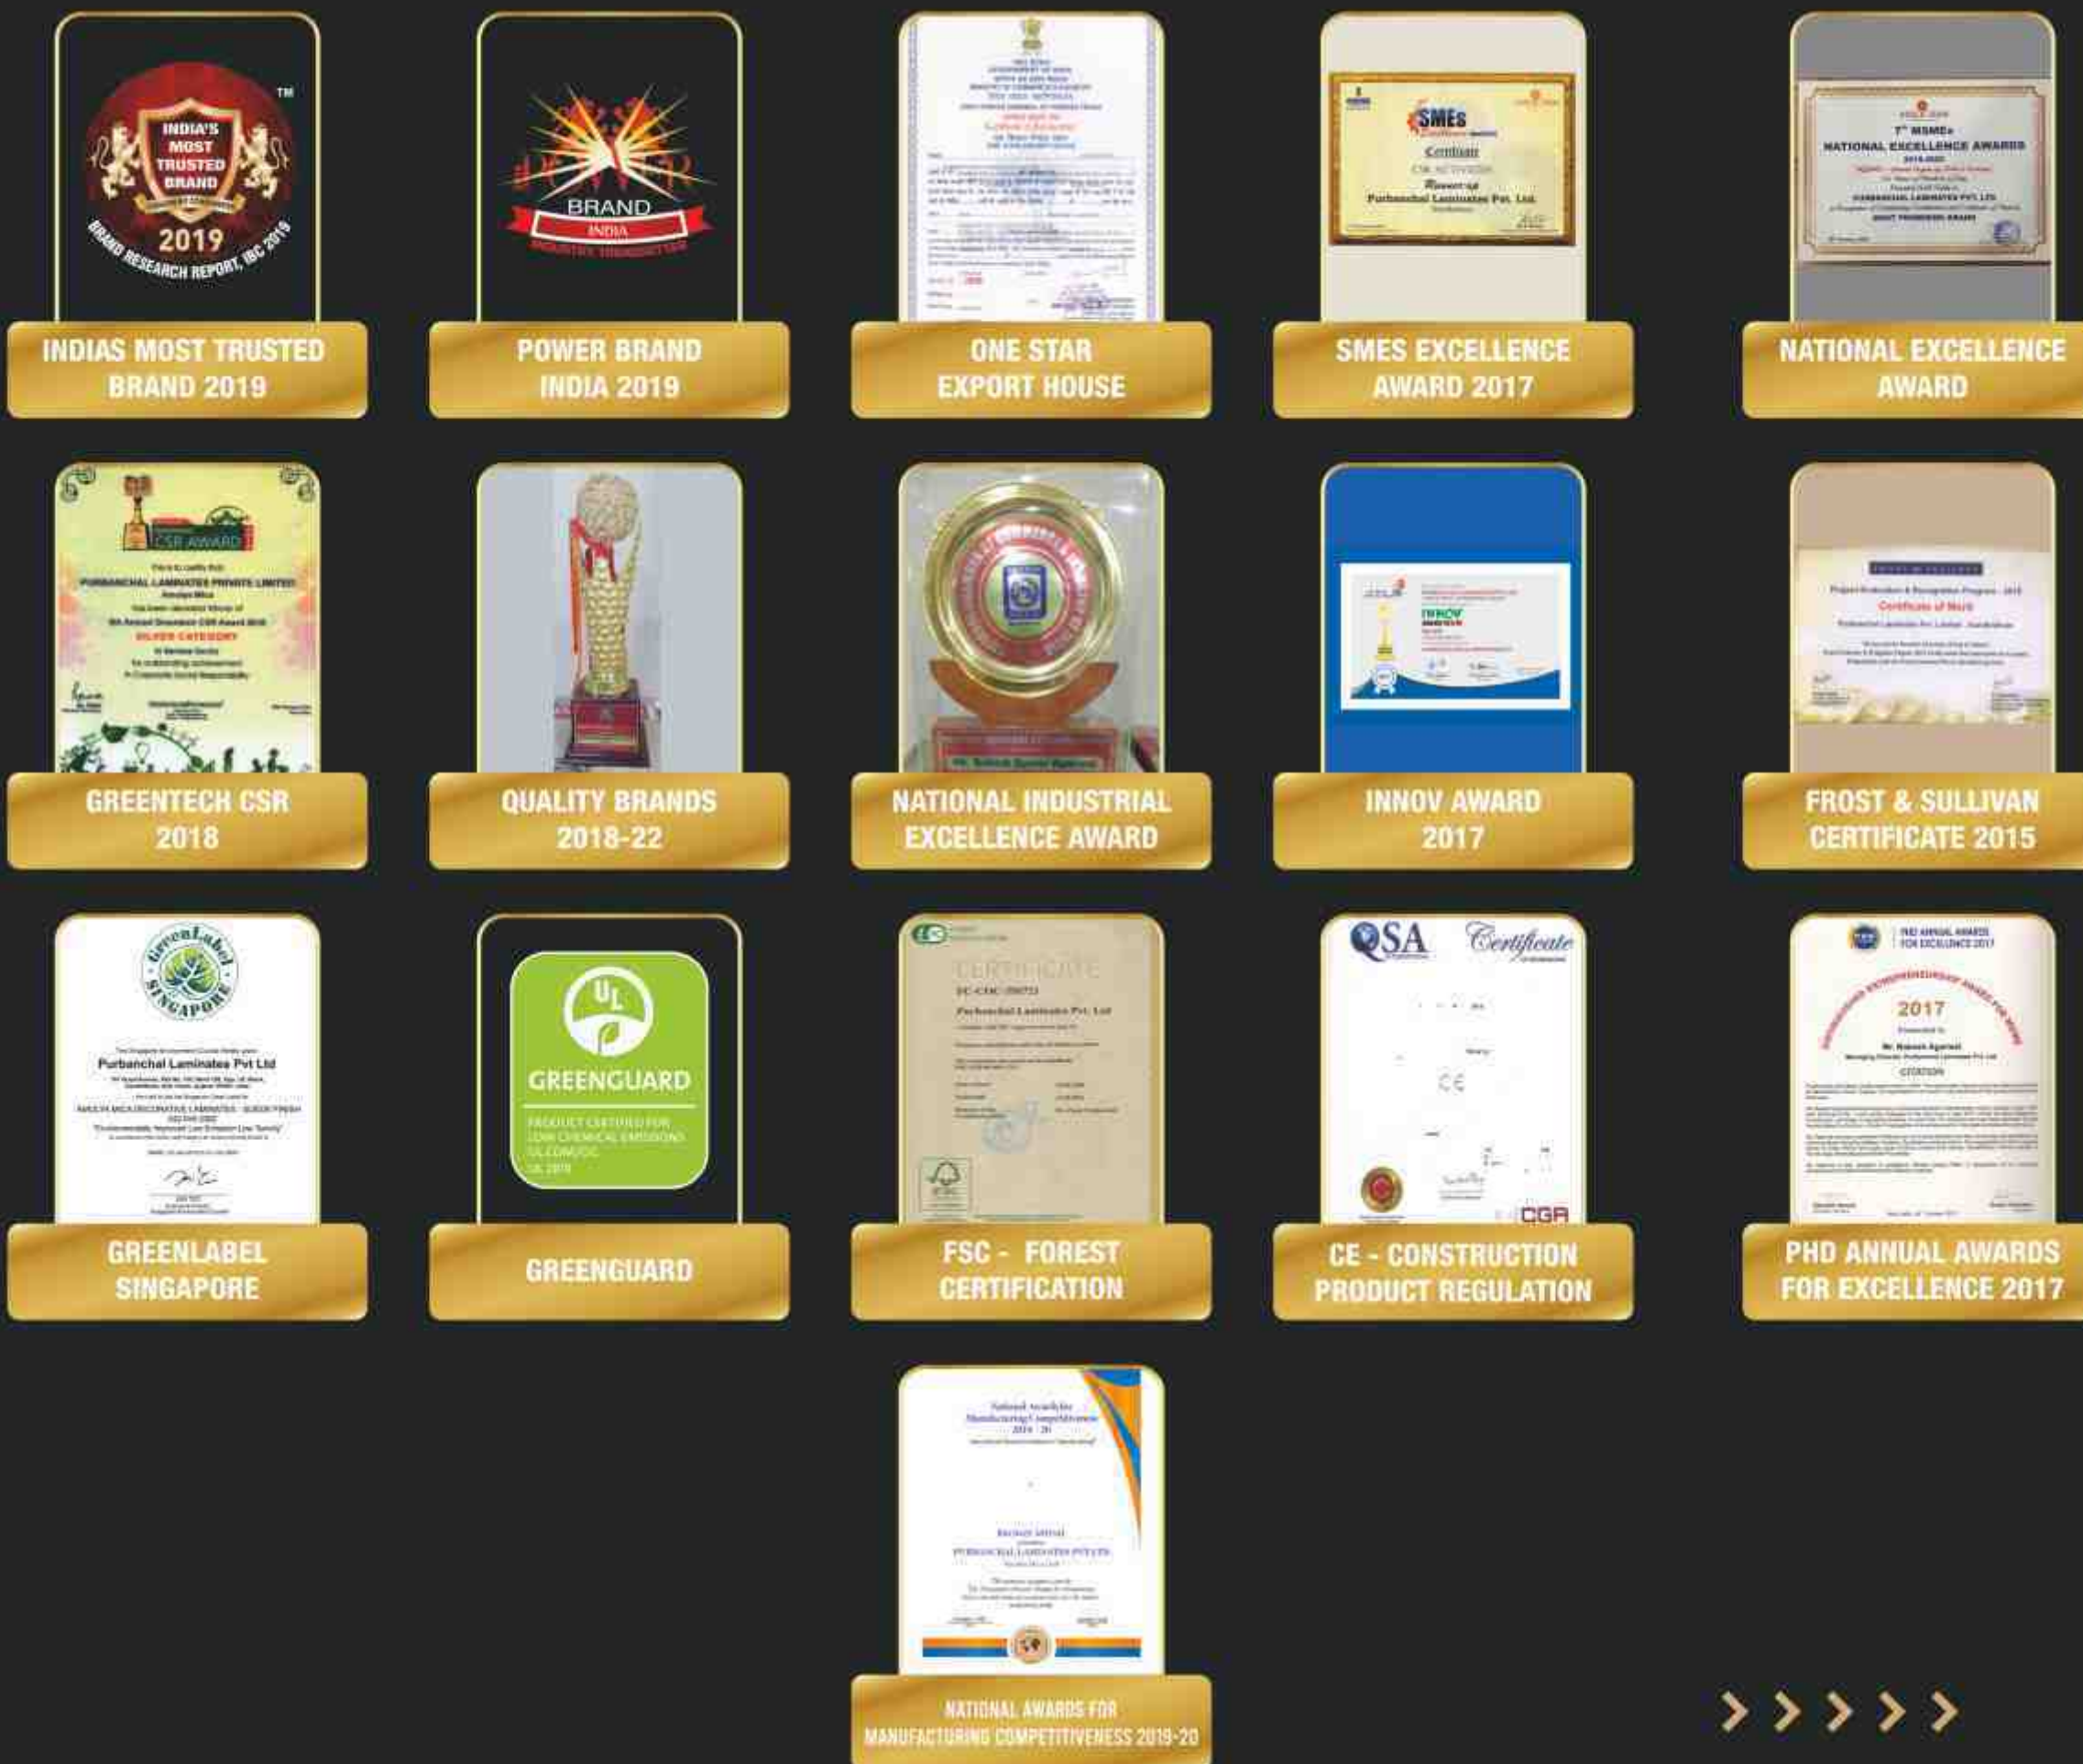

Amulya Mica has been making its mark felt all over in its industry and has been awarded the title of **Power Brands Industry Trendsetter 2018**.

Purbanchal Laminates Pvt Ltd "Amulya Mica" has been awarded with Bronze Medal for National Award for Manufacturing Competitiveness 2019-20 (NAMC) by International Research Institute for Manufacturing, India.

Amulya 800 laminate is recommended for interior use only and it is advised that the sheet is fully inspected for all defects before using or applying. Company's responsibility is limited to its product only.

All in all, Amulya 800 gives you an array of choice in color and finished which help you create decor with a difference. Add to it the quality and it's product straight out of your magical dreams.
