ABOUT MERINO GROUP

Welcome to the home of laminates, welcome to Merino. From a humble beginning with the launch of plywood in 1974 and subsequently high pressure laminates in 1981, the Merino Group has come a long way. Today, the group is one of world's largest manufacturer of decorative laminates for interiors and has a global recognition of being a leader in the laminates and panel industry. The group has diverse business interests that expand from Interior Architectural products to Information Technology to Food & Agro products. With its presence in over 80 countries that span across the five continents, Merino Group achieved an annual turnover of over 215 Million USD for the FY 2019-20.

Driven by the inherent value of constant innovation, Merino offers a diverse bouquet of multiple surfaces with infinite design possibilities that showcases its world class manufacturing prowess. The ever growing network of stakeholders corroborates the group's eminence and indicates a promising future for years to come.

CERTIFICATIONS & ACCREDITATION

At Merino, we strive to set higher benchmarks that allow us a global competitive advantage. Right from uncompromising safety standards, sustainable production and manufacturing processes to innovation centric research & development, we ensure a consistent range of superior quality products that comply with international certifications and accreditations.

MERINO DECOLINER LAMINATE

Designed specifically for bottom/base and inner surfaces, Decoliner laminates not only enhance the beauty of your furnitures but also make it durable. Contemporary designs and qualitative surface features of these laminates add a premium elegance to your cabinets, wardrobes, shelves and other interiors. Offering great quality with a resilient strength, Decoliners are built to last a lifetime and provide inherent value for your investment. We offer an exhaustive range of Decoliner laminates with a core promise of premium grade material that achieves dimensional stability and come in two variants -

Decocal 8 & Decolam 1

MERINO TORPEDO

Created with a superior quality product, Torpedo laminates are ideal surfaces for durable furnitures like wardrobes, cabinets and shelves. The compact design aesthetics lend an important space saving feature to your interiors without compromising on core stability values. Sleek on the outside and robust on inside means your furniture is not only high on style quotient but also offers quintessential durability for years to come. The Torpedo offers a comprehensive range in 0.7mm best suited for a variety of bottom and inner surface requirements.
