Always Creative Thinking

Management philosophy: Wainscot reconfirms the meaning and importance of interior materials to affect humans, pursuing the innovation of eco-friendly residence culture beyond the simple interiors. Wainscot is a company preparing for everything to make an innovation for the residence culture, and would like to make the innovation for an eco-friendly residence culture through mouldings, panels, doors, and many other interior materials. Thus, establishing a design research institute, Wainscot has been creating designs for leading the better value of life by merely going beyond interiors through the comprehensive and systematic process.

WAINSCOT
VISION

Innovation for
eco-friendly housing

WAINSCOT
VALUES

Environment Friendly/
Health/ Quality/ Design

DESIGN
PHILOSOPHY

Wainscot has been
developed based on
universal beauty and
coziness continuously, in
view of singularity of
interior design.

WAINSCOT CORE VALUES

Environment Friendly

Protecting the global environment by
recycling waste styrofoam into usable resources.

Quality

Based on 45 years of accumulated technology
and know-how, Wainscot possesses 200 patent
licenses and exports to 60 countries.

Design

Developing products that can be applied to any
space to conform with recent interior design trends.
We have 3000+ different designs in stock.

NEW PAINT COLLECTION Pure White

Simple design

The Wainscot Paint Collection is a modern product that does not use colorful sculptures and can represent a modern interior that fits into the trends.

Self-interior

This is a product treated with special coating, so it does not become hand-stained during working time or in every day life. It is the product getting out of the concept, White is easy to be stained with dirt.

Eco-friendly

Wainscot uses environmentally friendly materials to protect the environment and nature. It is also a building material without sick house syndrome and does not cause allergies.

TEST REPORT

In the contaminant releasing experiment of building interior decoration materials, all three components were scarcely detected on our products.

Test item	Unit	Result value	Reference value
TVOC Emission	mg/m ² ·h	Less than 0.002	Less than 0.04
Toluene Emission	mg/m ² ·h	Less than 0.005	Less than 0.08
Formaldehyde Emission	mg/m ² ·h	Less than 0.005	Less than 0.12

For applications directly on the wall recommended glue is Araldite / Bostik or any equivalent to the same.

Paint Collection

It is recommended to use epoxy coating before oil or water based paint
