New Trend with Innovative Digital Technology

TREND means tendency. It is energy, movement and evolution. It is the vision of what is to come, the expression of the ability to carry out original material and chromatic combination. The craftsmanship give birth to the creative and evocative power of our collection of design and pattern which color, shape and substance fuse in perfect harmony. Your dreams are our daily commitment.

Note:

- For Actual Color, pattern & finish refer the sample as due to printing limitation there might be slight variation.
- In case of claim, the liability of the company is however limited to the cost of the product only.
- Care & Maintenance
- Cleaning should be carried out with a soft moist cloth and warm soapy solution.
- Do not use detergents containing abrasive particles or excess soda.
