# ABOUT US

Treelam believes in innovating its own creations to the level of excellence, each day. With this goal particularly in mind, it's come up with its latest offering, the PU Collection, that is a fine blend of urbanity and exclusivity. The designs are a refreshing change in the current market trends, bringing about a splash of inventive streak to the core. Get mesmerized with these dynamic designs and give your spaces a defined edge of aesthetics and durable surfaces that have an everlasting charm.

# ADVANCED FEATURES

## 1.5mm Thickness

Exhibiting great properties, these laminate sheets are 1.5 mm thick making them strong & sturdy.

## UV Protected

The UV films offer protection against the damage caused by UV Light to the surface. The color clarity remains crisp & clear over time.

## Scratch Resistance

Laminates that exhibit extraordinary features, applying these sheets, be assured of scratch-free surfaces.

## Termite & Borer Free

Our laminates are specially treated to ensure they remain termite and borer free for several years.

## TECHNICAL SPECIFICATIONS

- It is recommended to not use any kind of masking tape on the surface to avoid damage. Instead, use nailing pressing method to press sheet on plywood/ MDF.
- Exposure to direct sunlight can prove detrimental. Also avoid contact with any hot cookware directly over the laminate. Consistent exposure to temperatures above 30-35 degrees celsius can cause severe adverse effects to the laminates.

1. Treelam expressly disclaims any representation or warranties of any kind, whether express or implied, as to the accuracy, currency, completeness and/or the merchantability or fitness for a particular purpose of any information contained in or provided via this documentation and/or any service or product described or promoted in this document.
2. It is the customer's responsibility to thoroughly examine the product by a qualified person, to determine whether it is suitable for the application it was purchased for.
3. Treelam is for indoor use only and should not be exposed to direct sunlight in any form.
4. Treelam Laminates is a registered trademark.
5. Images and colors should be used as a guide only.
6. Treelam warrants that its products are free from manufacturing defects and they are suitable for use under normal conditions. Product must be inspected prior to installation. "NO GUARANTEE, WARRANTY of the product."
7. Use suitable adhesive for pasting these sheets.

## Limited Warranty

PU Laminate Products are tested to be reasonably free of defects, and when used and fabricated properly they will comply with the applicable manufacturing specifications within realistic deviations. We recommend customers to inspect products properly before installing. PU Laminate's warranty in no way covers defects and non-compliance from or otherwise attributable to any other causes, including, without limitation of the following:

- Improper handling / transportation / storage of PU Laminate
- Improper installation of PU Laminate
- Improper or unintended usage of PU Laminate
- Lack of or improper maintenance of PU Laminate
- Exposure to high temperatures
- Unauthorized alteration to the products
- Outdoor applications
- There will be no guarantee or exchange under any circumstances
- Color variations in products from different batches are possible
- We recommend using products from same batch to avoid color variations
- This brochure is for presentation purposes only. Actual colors may differ.

To avoid delamination / air bubbles in between ply and laminate the following steps should be taken care of. Bonding of laminate sheets shouldn't be completed under high humidity

## Disclaimer

- Do not use plywood with high moisture content
- Do not use ply with uneven surface
- Avoid using inferior quality adhesive
- Apply sufficient pressure
