Crafting The Purest Nature

”

Mozart Vitrified Pvt. Ltd. is famously known as the tile composer crediting to its portfolio of the largest collection of full body vitrified tiles. The establishment is based in Morbi- the ceramic hub of India offering high-end designs and innovative styles of tiles. With a production capacity of 9000 sq. mtr. per day, Mozart provides a tiling solution that magnifies luxury and elegance for every modern space.

Our wide product range is the epitome of grace and eliteness brought together in the form of ceramics. We always keep up with the latest trends in the ceramic industry while adding our touch of innovation to deliver something special that provides a luxurious lifestyle to our customers. We are a rising brand with big ideas that are made in India and distributed worldwide.
