Creative and trendsetter

we work together with dedication to master the biggest challenges. Our team is a mix of professionals from technical and creative fields who lead Nelson and its clients towards success.

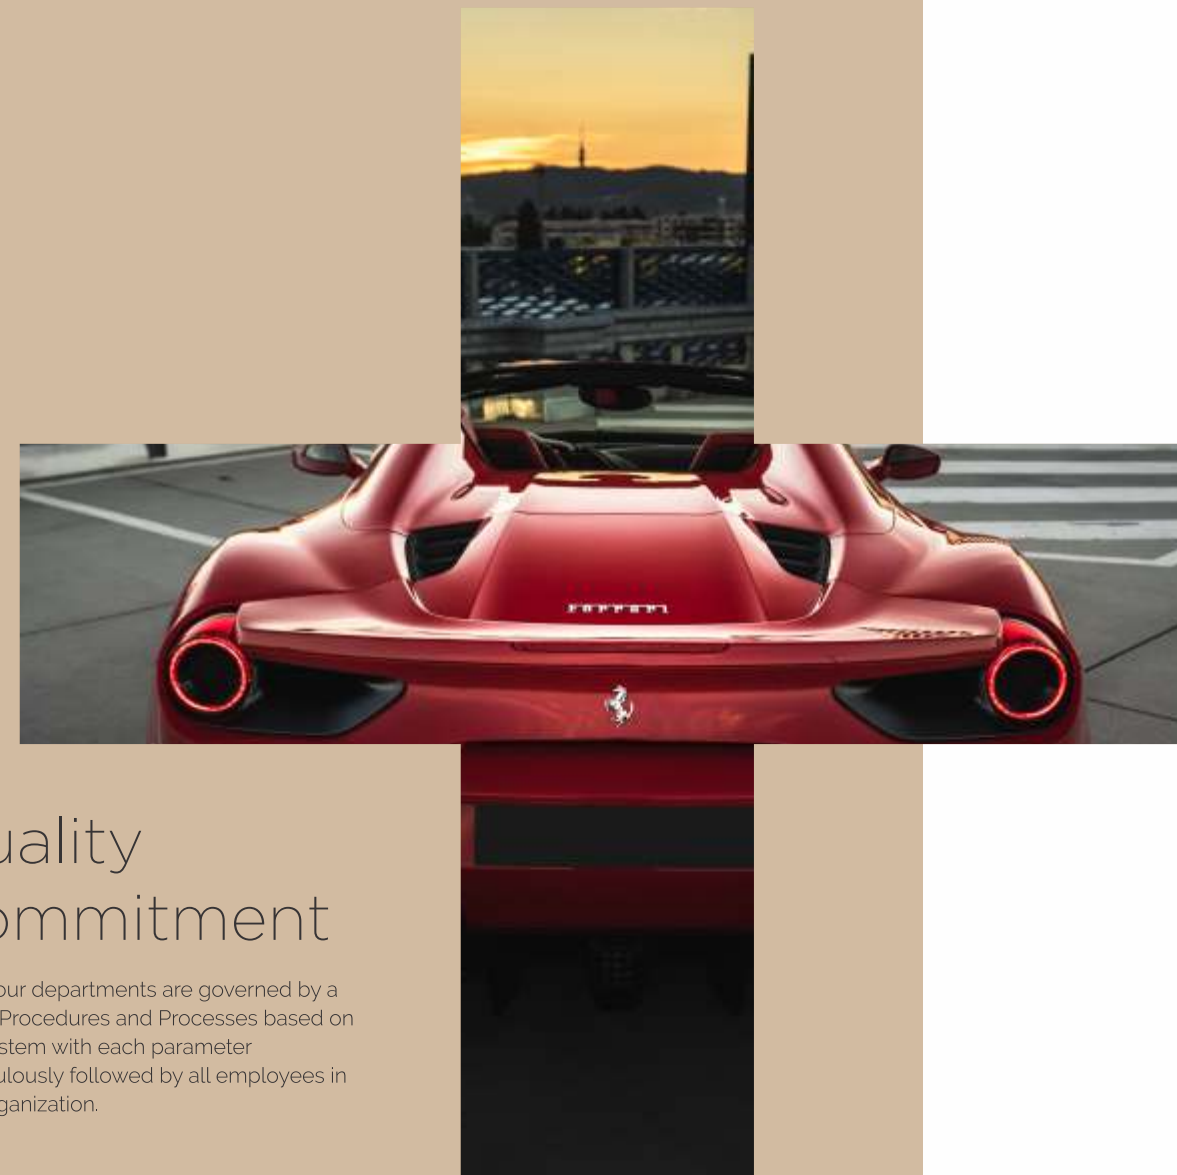

Judicious young and dynamic team

we work together with dedication to master the biggest challenges. Our team is a mix of professionals from technical and creative fields who lead Nelson and its clients towards success.

quality commitment

All of our departments are governed by a set of Procedures and Processes based on the system with each parameter meticulously followed by all employees in the organization.

adherence to ontime delivery

We strive to coexist and co-develop with our Channel partners. We expect to form close partnerships to achieve fastest delivery for reliable product availability through PAN India network.

PROPELLING
SINCE 2015

we are nelson laminate

Nelson Laminate is run by a group of enthusiastic individuals. We are a young company creating big waves since our foundation. Representing only the finest laminates in partnership with reputable suppliers, we take pride in bringing to the local market design-centric and quality driven surface solutions under the Ecoking® brand.

Designing a new home is a balance of form, function, touch of colour and most importantly, personal style. Endorsed as a go-to favorite among architects, designers and homeowners alike, Ecoking® strives to continue delivering sustainable design solutions that are diverse in aesthetics, functions and cost-effectiveness. We also believe in providing homeowners with the best – both in quality and affordability.

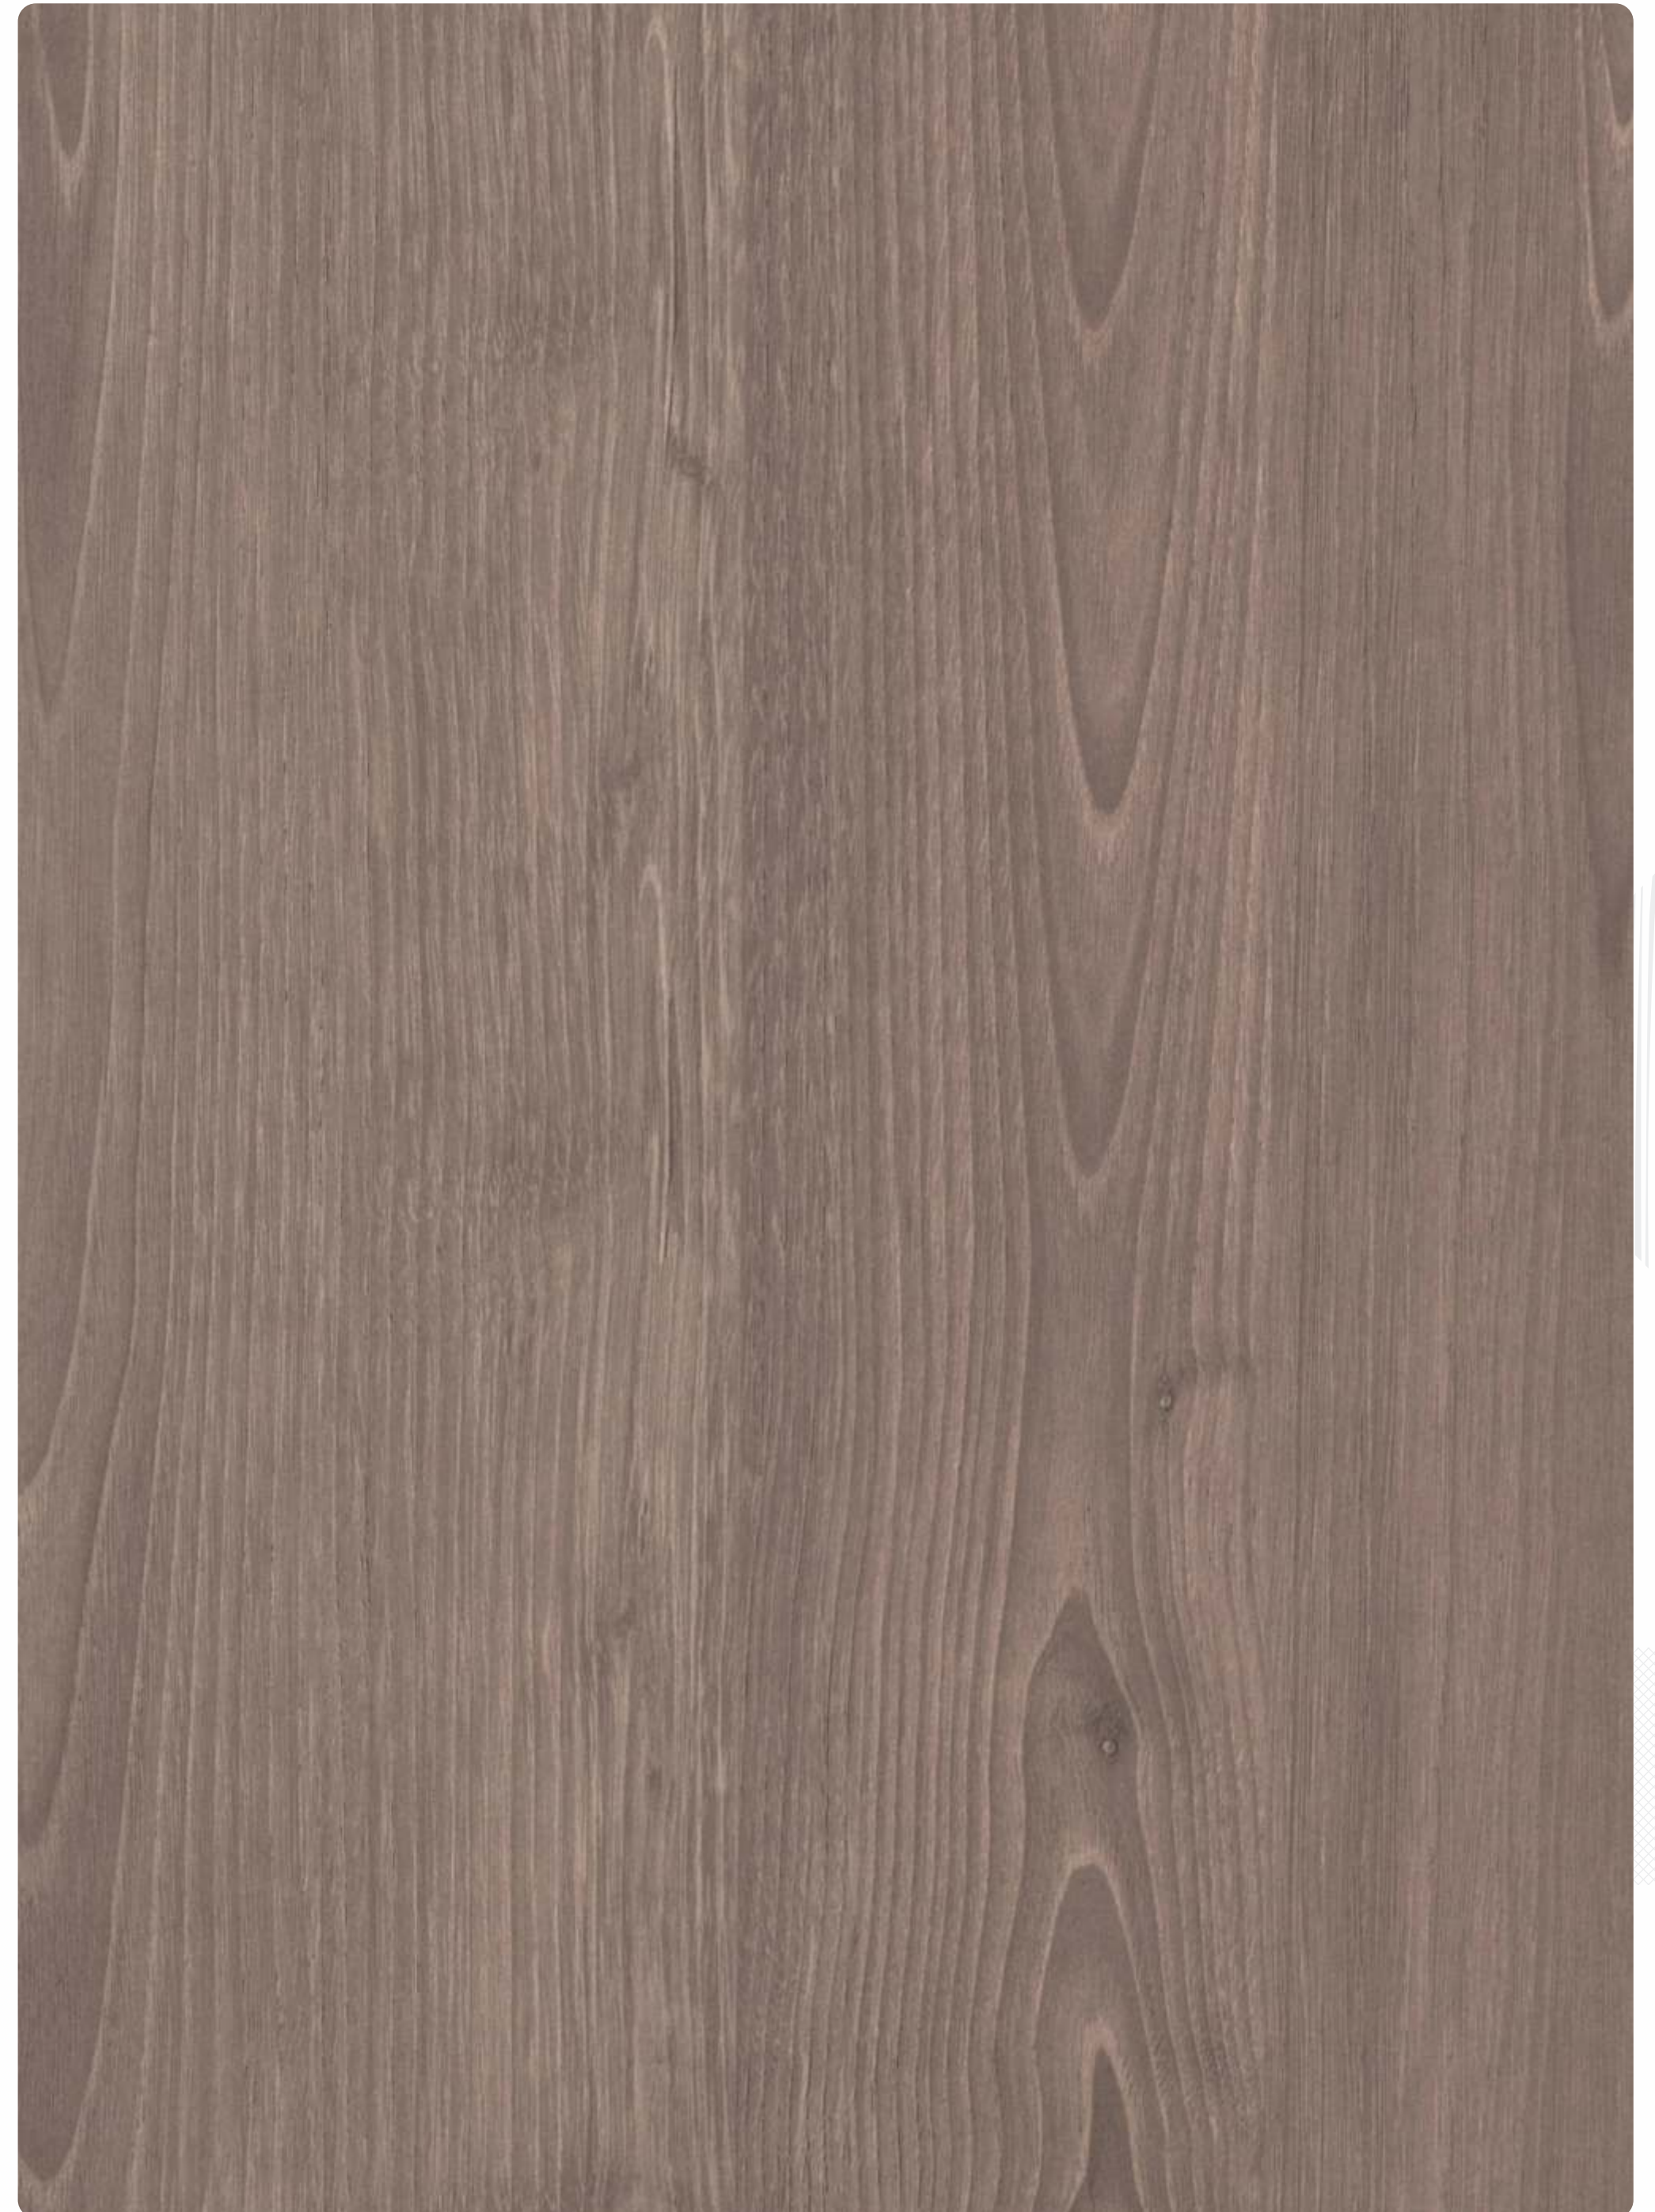

Nelson accounts for a company of highly motivated professionals assembled to best serve each function within the company. Together, they share an extensive scope of industry know-how and experience, guided by a simple philosophy of "layering to be the best".
