CANVAS COLLECTION BY

Canvas Collection comprises of layers of specially selected paper, impregnated with melamine and phenolic resins pressed and hardened under heat and pressure. The process ensures strong bonding, resistance to boiling water and chemical, and increases dimensional stability. Surface protection through special treatment renders all Canvas scratch resistant. It is suitable for a wide range of applications such as wall lining, column claddings, doors, shelves, table-tops, work-tops, counters, vanity units, cubicles, lift linings, store fittings, displays, check out desks etc.

Size: 2440 mm x 1220 mm (8'x4')

Thickness: 1.00 mm (other thickness available on request)

Care & Maintenance:

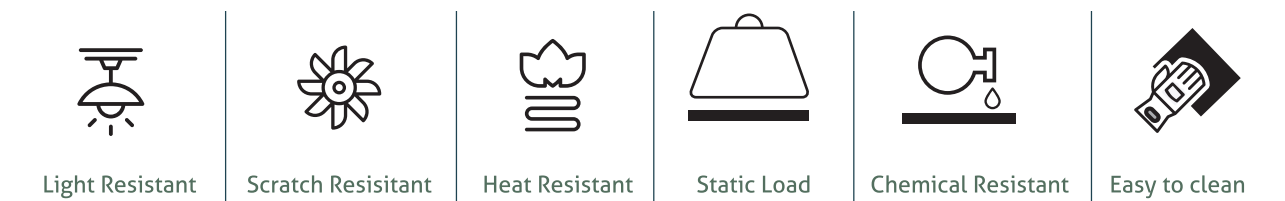

Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particle or excess soda.

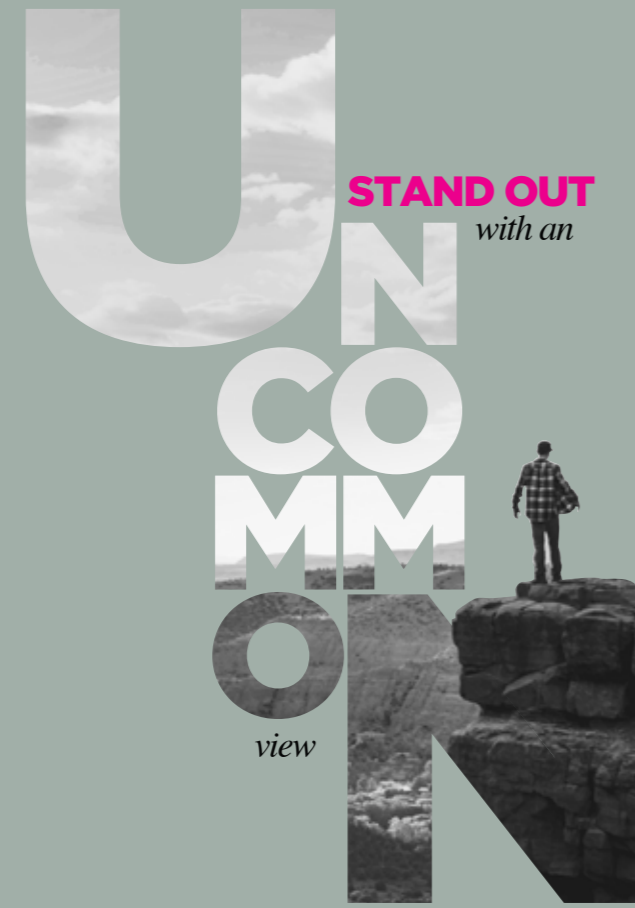

Disclaimer:

Customers are advised to reconfirm selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative of colour, pattern and surface finish but not of actual thicknesses. Few patterns series recommended for horizontal applications only.

Limited Warranty:

Canvas Collection warrants that its products are reasonably free from manufacturing defects. This warranty shall not apply to defects or damage arising from any of the following: Accidents, abuse or misuse, exposure to extreme temperature, improper fabrication or installation and improper maintenance. Under no circumstance shall the manufacturer be liable for any loss or damage arising from the purchase, use, or inability to use this product, or for any special, indirect, incidental, or consequential damages. No fabricator, installer, dealer, agent or employee of Pegasus Panels Pvt. Ltd. has authority to modify the obligation or limitation of this warranty.
