MODERN  
PVC COLLECTION

WATWIN  
Design for Perfection

FEATURES

EASY TO CLEAN

Our laminate surfaces promote good hygiene as it takes no special effort to clean them. Simple cleaning methods can be used to effortlessly clean the surfaces.

BORER RESISTANT

Don't live with the fear of borers ruining your beloved furniture and surfaces. Our laminate surfaces are specially treated to be borer resistant.

TERMITE RESISTANT

Termite infestation is a real threat to modern furniture, but not when you have Watwin laminate surfaces. Our exclusive surfaces are completely termite resistant.

WATER RESISTANT

Every laminate surface featured in our collection stays protected from excess water, moisture and humidity due to their high water resistance properties.

ENVIRONMENT FRIENDLY

Watwin laminate surfaces are manufactured using wood acquired from sustainable resources, which makes this an environment friendly offering.

ULTIMATE PVC COLLECTION 2020-21

ABOUT US

LRB Group offers a wide range of decorative products for your dream interiors. The company has made a mark on the industry with it being among the top manufacturers and suppliers of various products i.e. PVC laminates, Acrylic sheets (Anti Scratch), Designer Laminates, Prelam Plywood, Laminated Plywood, Laminated Door, Veneer Door, and Marine Plywood.

We have built this comprehensive product range on the foundation of high-quality raw materials and the use of advanced technology in production. Our products are best in terms of quality, designs, durability and dependability. With a variety of styles, attractive designs and colors to choose from, our products are widely used in all commercial, residential as well as industrial establishments.

We are a quality-focused organization, where the clients and their satisfaction always come first. To make sure we deliver on our client's expectations, we also specialize in providing product customization. According to the taste and preferences of our clients, we can fine-tune the designs, dimensions, colours, patterns, etc.

We strive to be the preferred brand of our clients day in and day out, which is why we always push to be extremely cost-effective and backed by clear business policies. And thanks to our broad distribution channels, we are proud to be offering flawless and quick deliveries to our esteemed clients all around.

Welcome to the world of Watwin where a verve of ecstasy surrounds you into enchantment and glory of high end demeanor. If you're the one who believes in leading a life of style, this is your perfect destination. Get ready to get mesmerized.

## Technical Specifications

### Product Information:

**Thickness:** 1.25 mm  
**Standard size:** 1220 mm x 2440 mm

Range: These elegant PVC Laminates come in a wide range of design, colors and finishes.

**Adhesive:** These laminates are easy to apply with the standard laminating system, including most of the conventional water and solvent based adhesives normally used with plastic laminates. We DO NOT recommend the use of heat activated adhesives.

**Lamination:** Proper substrates must be used and careful bonding procedures must be observed. Substrates should be of good quality plywood, PVC Board, high-density particle board, or high-quality fiber board. The face of the substrate must be smooth and free of grease, wax, dust, ships and other foreign matter. We DO NOT recommend any kind of coat like PU Base, melamine, lamination (wax) on our products.

**Cutting & Machining:** These laminates can be cut by using a sharp diamond blade cutter only. We recommend the use of smooth file to feather all the corner edges.

**Bending:** Kindly use a V-groove cutter to bend the sheets at 90° angle. For any difficulty please contact WATWIN.

**Maintenance:** Any cleaning agent containing acids, alkalis or abrasives should NOT be used to clean the laminate. Exposure to sunlight should be avoided.

Note: WATWIN warrants that all its products are free from manufacturing defects and perfectly fit for use in normal conditions. In case of any claim, the liability of the company is however limited to the cost of the product only. There may be batch to batch color variation. The sample swatches only represent the designs, colors, and finish. They do not represent the actual thickness.

KINDLY REMOVE THE PROTECTIVE FILM WITHIN 7 DAYS OF INSTALLATION OF LAMINATES

Disclaimer: The laminates in this catalogue may differ in color from the actual laminates.

### FEATURE

**ECO-FRIENDLY**

Does not harm Mother Nature

**90° BENDABLE**

Flexible body can be bent up to 90° to hide the edges

**NON-TOXIC**

Does not emit toxic gases or fumes
