PROMICA®

SIMPLY STYLISH

This freedom from constant constraints makes it the first choice of those who are looking to renovate their lives.

DISCOVER
M+RE with Promica

OUR CREDO

To be a pioneer and lead from the front, one has to have a vision of being diverse, understand ones surrounding and deliver accordingly. We at Promica understand what it takes to be the leader, we believe that interior and outdoor space design have become fundamental part of our life. Being an essential part of the furniture industry today we have indigenous world class decorative laminates which sets us apart.

Our laminates are attuned to Indian and International design and durability standards. These decorative laminates are made by giving a hard base to lamination papers with melamine resin and thereby increasing life of the paper which in turn safeguard the colour and brightness of the paper. *Giving our customers many reasons to renovate their lives.*

Properties	Specified values as per IS:2046-1995, Type S, HGS	Promica Conforms
Thickness	1.00 mm (10%)	✓
Resistance to surface wear	350 (revolutions)	✓
Resistance to immersion in boiling water - Mass increase (%) - Thickness increase (%) - Appearance	10.0 (Max) 11.8 (Max) Not worse than 4	✓
Resistance to dry heat 180° c	Not worse than 4	✓
Dimensional stability at deviated temperature - Longitudinal (%) - Transverse (%)	0.55 (Max) 1.025 (Max)	✓
Dimensional stability at 20° c - Longitudinal (%) - Transverse (%)	0.375 (Max) 0.60 (Max)	✓
Resistance to impact by small diameter ball	20 N (Mini)	✓
Resistance to cracking	Not worse than 4	✓
Resistance to scratching	2 N (Mini)	✓
Resistance to staining	Not worse than 5	✓
Resistance to colour change (wool standards) - In xenon arc light - In enclosed carbon arc light	Not worse than 6 Not worse than 5	✓
Resistance to cigarette burns	Not worse than 3	✓
Resistance to steam	Not worse than 4	✓
Appearance	Should be free from foreign particles	✓

Promica comprises of layers of specially selected paper, impregnated with melamine and phenolic resins pressed and hardened under heat and pressure. The process ensures strong bonding, resistance to boiling water and chemical, and increases dimensional stability. Surface protection through special treatment renders all Promica scratch resistant. It is suitable for a wide range of applications such as wall lining, column claddings, doors, shelves, table-tops, work-tops, counters, vanity units, cubicles, lift linings, store fittings, displays, check out desks etc.

free from manufacturing defects. This warranty shall not apply to defects or damage arising from any of the following: Accidents, abuse or misuse, exposure to extreme temperature, improper fabrication or installation and improper maintenance. Under no circumstance shall the manufacturer be liable for any loss or damage arising from the purchase, use, or inability to use this product, or for any special, indirect, incidental, or consequential damages.

Size: 2440 mm x 1220 mm (8'x4')

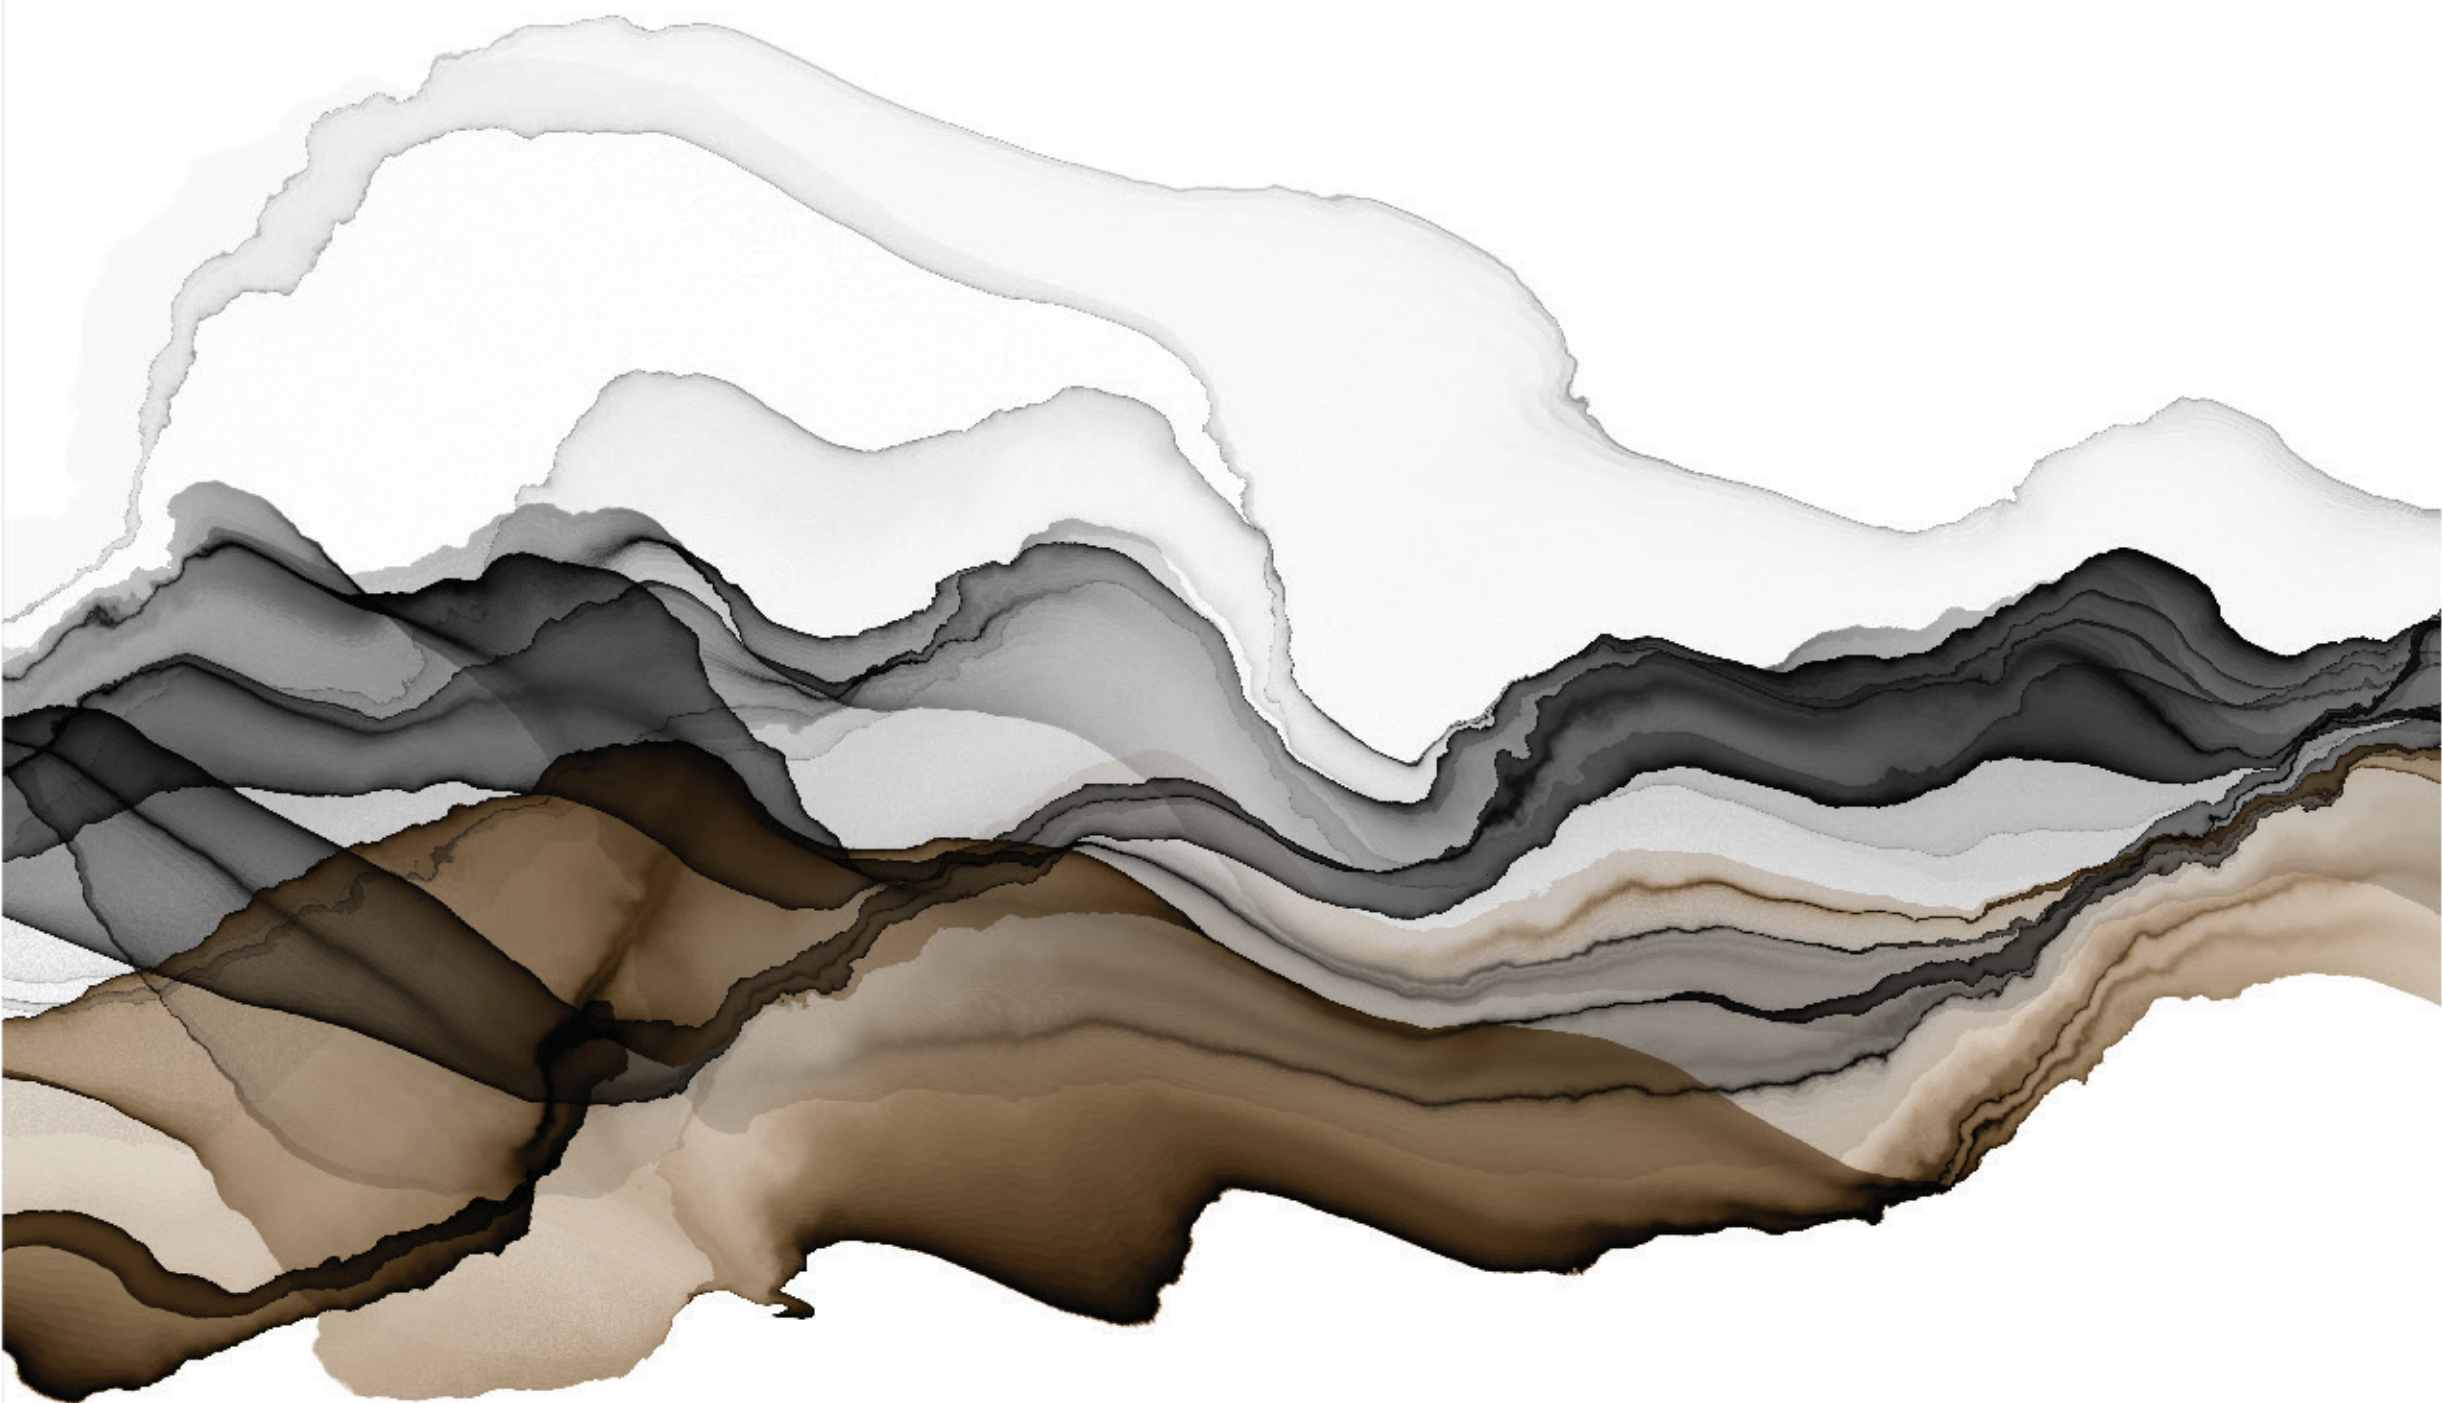

Important Note:
Cutting a laminate sheet at an angle of 90° leads to development of cracks in corner after pasting. Therefore, it is advisable to avoid cutting at an angle of 90°. Bonding of laminate under high humidity, plywood with high moisture content, and uneven surfaces, inferior quality adhesive and insufficient pressure may lead to delamination / air bubbles in between ply & laminates.

Care & Maintenance: Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particle or excess soda.

Disclaimer: Customers are advised to reconfirm selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative of colour, pattern and surface finish but not of actual thicknesses. Few patterns series recommended for horizontal applications only.
Limited Warranty: Promica warrants that its products are reasonably

Premium Grade in Promica is marked as

Light Resistant	Scratch Resistant	Heat Resistant	Static Load	Chemical Resistant	Easy to clean
