

Décor

Let your interior ideas come  
alive with **AIS Décor!**

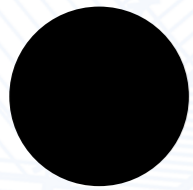

The background of the entire page is a light blue architectural floor plan. It features various rooms, corridors, and structural elements, all rendered in thin blue lines. Some rooms are shaded with diagonal hatching. There are also some circular symbols and numerical annotations scattered throughout the plan, such as '1100', '1400', and '1600'.

# ENHANCE

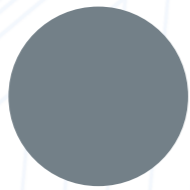

## THE CREATIVE APPEAL OF YOUR ARCHITECTURAL MARVELS WITH OUR INCREDIBLE SERIES OF BACK-PAINTED GLASS

Make a subtle statement of class and elegance with our exclusive range of back-painted glass available in **Earthy, Vibrant, Serene, Metallic, and Pure** series. Be it wall panelling, cladding, kitchen counters, or furniture – AIS Décor can bring your imagination to life. The unique-coloured, opaque appearance is created with state-of-the-art, high-quality coating technology to give your interiors a lasting impression.
