ABOUT US

We Offer Simple, Innovative & Elegant Wall-paneling Products that Inspire the Awe of Onlookers!

Simply speaking, we offer products that we use in our own homes and offices. When it comes to the decorative charcoal panels, alabaster, onyx, mosaic highlighter and louver planks to adorn the interiors/exterior of domestic and commercial spaces, we are second to none. With years of experience under our belt, we are relied on for the finest possible quality at the best prices.

We Understand Your Needs! In our core, we believe in choices for everyone!

Our products are manufactured as per the internationally accepted standards of quality. Quality is the foremost priority for us and our customers know that. Taking into consideration the ever-increasing demands of our customers, we have been consistently increasing the products in our inventory. We understand that interiors with a trendy look are much in vogue, but not all can afford the luxury. This is the reason why we are committed to provide you style within budget.

Driven by our principles of excellence and ethics, we are moving forward with a mission to adorn as many homes as possible with our products.

MYSTIC
PANELS & PLANKS

Glazze is an exceptional offering by none other than Mystic Panels and planks for you to Experience The Luxury. This collection of 100% acrylic laminate is the epitome of beauty and flamboyance. With high gloss finish and 6H Anti Scratch layer, the Glazze collection also delivers on functionality and not just on aesthetics. The Glazze decorative acrylic laminates & panels are available in a wide variety of colors to ensure they can complement almost any décor. On top of that, these marvelous surfaces are manufactured as per international quality standards, which ensures these surfaces last a long time without any of its features diminishing.

So, bring in this exclusive collection high gloss acrylic laminates with anti-scratch features to give your space a wonderful gift of brilliance.

CLEANING INSTRUCTION AND MAINTENANCE

GLAZZE High gloss acrylic laminates comes protected with a high-quality protective film which is only removed at the completion of all installation work. After the protected film is removed, there is still presence of solvent from the adhesive coating of the protective film on the surface of the high gloss acrylic laminate. An electrostatic charge is built-in and attracts dust onto the surface of the panel.

During this time, the acrylic laminate surface also cures out under the influence of normal air humidity. Under normal circumstances, the 'Curing' process will take approximately 72 hours for the surface to be totally cured. In order to speed up the process, we recommend cleaning the high gloss surface with COLIN Glass Cleaner and soft Micro fiber cloth.
