- **Laminate Thickness** : 1.2 mm(±10%)
- **Liner Thickness** : 0.7mm(±10%) on Order Available in 0.7mm to 3mm Thickness
- **Standard Sheet Size** : 8x4 Feet (2400mm x 1200mm)

■ **Wide Range :**
Our Lamination come in wide range of colors, designs, textures and materials

■ **Adhesives to be used :**
For Superior results. We recommend Special Adhesive for PVC and Acrylic laminates. These laminates are easy to apply with all normally used with plastic laminates such as water based and solvent based adhesive. We do not recommend use heat activated adhesive

■ **Cutting and Machining :**
Royalglow Laminates can be cut, routed and drilled, with most standard. wood working tools or equipments, all blades must be sharp, to remove any burrs that may occur in the cutting process, we recommend the use of a smooth, file to feather all corner Edges.

■ **Lamination :**
Proper substrates must be used and careful bonding procedures must be observed Substrates should be of good quality plywood, high density particle board or high quality fibre board. The face of the substrate must be smooth and free of grease, wax, dust, chips and other foreign matter.

■ **Bending and forming:**
Royalglow Laminates can be bent and all radius bending should be handled in the same manner as all grades of non post forming decorative Laminates.

■ **Uses:**
When used on other type of horizontal surfaces they should be protected with glass or any other equivalent material. They can be used for kitchens, cabinetry, columns, ceilings, furniture, doors and also for commercial use wherever a modern contemporary look is desired.

■ **Care and Maintenance:**
Micro fiber clothes can be used for cleaning the surface after pre soaking. Surface should not be cleaned using a dry cloth. No scouring or abrasive cleaning material must be used since these will damage the brilliance of the surface gloss. Window cleaners, thinners, acetone, ammonia or other aggressive chemicals should not be used for cleaning.

KINDLY REMOVE THE PROTECTIVE FILM AFTER 7 DAYS OF INSTALLATION OF LAMINATES.

■ **Note**
Royal Glow warrants that all its products are free from manufacturing defects and perfectly fit for use in normal conditions. In case of any claim, the liability the company's is however limited to the cost of the product only. These may be batch to batch colour variation. The sample swatches only represent the designs, colours and finish. They do not represent the actual thickness.
